

Exhibit A

[Class Action Settlement Agreement]

CLASS ACTION SETTLEMENT AGREEMENT

THIS CLASS ACTION SETTLEMENT AGREEMENT (the “**Agreement**”) is made this 18th day of December, 2017 by and among, on the one hand, Deborah J. Caruso, not individually but as the chapter 7 trustee for ITT Educational, Services, Inc., ESI Service Corp., and Daniel Webster College, Inc. (the “**Trustee**”) and Jorge Villalba, James Eric Brewer, Joshua Cahill, Juan Hincapie, and Cheryl House, on behalf of themselves individually and the Settlement Class, as defined below (collectively, the “**Students**”). The Trustee and the Students are referred to in this Agreement collectively as the “**Parties**” and each is a “**Party**” to this Agreement. Each reference in this Agreement to the “Trustee” or a pronoun referring to the “Trustee” shall be deemed to include the Debtors and the Estate (each defined below).

RECITALS

- A. On September 16, 2016 (the “**Petition Date**”), ITT Educational Services, Inc. (“**ITT**”), ESI Service Corp. (“**ESI**”), and Daniel Webster College, Inc. (“**DWC**,” and together with ITT and ESI, the “**Debtors**”) each filed a voluntary petition for relief under chapter 7 of the Bankruptcy Code (the “**Bankruptcy Case**”).
- B. Prior to the Petition Date, ITT was a public, for-profit corporation engaged in the business of providing post-secondary degree programs in thirty-nine states and through on-line services. ESI and DWC are subsidiaries of ITT.
- C. Prior to the Petition Date, ITT loaned money to its students to finance their tuition and other charges and fees owed to ITT (“**Student Receivables**”). The Student Receivables are seller-financed debt and the Debtor’s principal business was not the extension of credit. The Debtors contracted with University Accounting Services, LLC (“**UAS**”) to service certain of the Student Receivables. If a Student Receivable became delinquent, the Student Receivable would be placed with FirstSource Financial Solutions, Inc./One Advantage (“**FirstSource**”), Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and any and all other credit agencies for collection.
- D. As of the Petition Date, there was approximately \$30,000,000.00 in Student Receivables placed for servicing and/or collection with UAS, FirstSource, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and any and all other credit agencies for collection. In addition, ITT held, as of the Petition Date approximately \$630,945,284.00 in additional Student Receivables which it had not placed with UAS and/or FirstSource or any other servicer or collection agency. Effective as of the date of this Agreement, ITT holds approximately \$560,000,000 of Student Receivables (due to adjustments made and to be made to ITT’s books and records relating to tax returns for ITT’s 2016 fiscal year). The Students dispute the validity of all Student Receivables.

- E. Also prior to the Petition Date, the Debtors had transferred title to certain Student Receivables to CU Connect CUSO, LLC, The Rochdale Group, Inc. and/or related credit unions (the “**CUSO Receivables**”). The Debtors had also transferred title to certain other Student Receivables to PEAKS holders and/or related entities (the “**PEAKS Receivables**”). The Students dispute the validity of the PEAKS Receivables and CUSO Receivables and the Other Receivables, as defined below.
- F. On November 1, 2016, the Trustee became the case trustee for each of the Debtors.
- G. On November 29, 2016, the United States Bankruptcy Court for the Southern District of Indiana (the “**Bankruptcy Court**”) entered an “Order Granting Trustee’s Motion For An Order Pursuant To Sections 105(a), 363(b), 503(b), 506(a), And 704 Of The Bankruptcy Code Authorizing (I) Deposit of Student Loan Receivables Into A Segregated Account And (II) Payment Of Collection Fees From Receivables” (Bankr. Dkt. 680). The November 29, 2016 Order authorized the Trustee to pay UAS and FirstSource the fees authorized under their respective agreements and further provided that the Trustee would establish a segregated account with the Bank of Texas into which all amounts collected on Student Receivables would be deposited (“**Receivables Segregated Account**”) less fees paid to UAS and FirstSource. The Trustee has caused to be deposited into the Receivables Segregated Account all collections of Student Receivables and will continue to deposit all future collections of Student Receivables into the Receivables Segregated Account. As of October 31, 2017, the Receivables Segregated Account holds \$2,409,953.98 and the Trustee holds three additional, segregated accounts (the “**Additional Accounts**”) in the amount of \$378,185.60 and \$11,823.10 for ESI and DWC, respectively, and an account containing direct student payments to ITT in the amount of \$43,419.49.
- H. On January 3, 2017, the Students filed a Class Action Adversary Complaint in the Bankruptcy Court, which case was docketed as Case No. 17-50003 (the “**Lawsuit**”).
- I. On January 3, 2017, the Students filed class proofs of claim which were docketed as Claim Nos. 284, 347 and 1285 against each of the Debtors.
- J. On January 30, 2017, the Bankruptcy Court held a hearing on the Students’ Motion Seeking Class Treatment of Student Creditors’ Claims and orally granted the Motion, which ruling was incorporated into an Order entered on the docket on February 2, 2017 (Bankr. Dkt. 1151). The Order ruled that Federal Rule of Bankruptcy Procedure 7023 applied to the proofs of claim filed by the Students and appointed Legal Services Center of Harvard Law School and Jenner & Block LLP as interim class counsel for the putative class pursuant to Fed. R. Bankr. P. 7023 and Fed. R. Civ. P. 23(g)(3).

SETTLEMENT AGREEMENT

- K. On January 30, 2017, the Students amended their class proofs of claim and the amended claims were docketed as Claim Nos. 424, 520 and 2383, each in the amount of \$7.3 billion (the “**Proofs of Claim**”). As part of this claim amount, the Proofs of Claim stated a priority under 11 U.S.C. § 507(a) (7) in the amount of \$114,000,000 (the “**Students Priority Claim**”).
- L. In the Lawsuit and in the Proofs of Claim, the Students allege that Debtors violated various consumer protection statutes by engaging in deceptive practices, employing abusive, unfair and deceptive recruiting and retention strategies and financial aid practices, and by falsely obtaining accreditation. The Students further allege that Debtors breached their enrollment contracts with the Students by closing their operations before certain students in the Settlement Class could complete their educations and by denying students the benefit of promised post-graduation refresher courses and lifetime job placement assistance. The Students further allege that Debtors breached the covenants of fair dealing and good faith contained in the enrollment contracts and included unconscionable terms in the enrollment contracts. The Students sought, among other relief, damages including costs and attorney’s fees, and an order enjoining the collection of all private student loans.
- M. After the Petition Date, the Bankruptcy Court approved the Trustee’s Motion to Suspend Collection of Student Receivables and to Compensate Mark Huber for Services Related to Reconciling Student Receivables. This Order authorized the Trustee to direct collection agencies, including UAS, FirstSource, and others, to cease collection of Student Receivables placed for collection with such agencies. This Order also authorized the Trustee to retain Mr. Huber to reconcile the Student Receivables accounts and calculate a refund that will be remitted to students consistent with Section 6 herein.
- N. The Trustee has confirmed with each of the collection and servicing agents known by the Trustee to have been used by ITT that each has marked the Student Receivables as paid in full or has deleted the Student Receivables from the students’ records and files and the Trustee is advised that no further reporting is being made and no further reporting will be made in the future by such servicers or collection agencies to any credit bureaus, or otherwise, relating to Student Receivables owing to the Debtors.
- O. The Trustee, through counsel, has consulted with the Internal Revenue Service regarding whether ITT was an “applicable entity” and/or an “applicable financial entity” under Section 6050P(c) of the U.S. Internal Revenue Code of 1986, as amended. The Trustee intends to request a private letter ruling from the Internal Revenue Service on this question. Before submitting any materials to the Internal Revenue Service, the Trustee will provide drafts to putative class counsel at least fourteen (14) days before submission of the same to the Internal Revenue Service and will consult with putative class counsel about the drafts before their submission

to the Internal Revenue Service. The Students' position is that because the Student Receivables are not valid obligations, there will be no forgiveness of indebtedness income as a result of the transactions contemplated by this Agreement.

- P. The Parties desire to resolve all disputes between them without further expense and litigation.

NOW, THEREFORE, in consideration of the above promises and the mutual covenants of the Parties to be faithfully performed, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Trustee and the Students, intending to be legally bound, agree as follows:

1. DEFINITIONS

In addition to the terms defined above and elsewhere in this Agreement, as used in this Agreement:

- 1.1 **"Class Counsel"** means the Legal Services Center of Harvard Law School and Jenner & Block LLP.
- 1.2 **"Class Representatives"** means Jorge Villalba, James Eric Brewer, Joshua Cahill, Juan Hincapie, and Cheryl House.
- 1.3 **"Effective Date"** means the date on which the Approval Order is a Final Order.
- 1.4 **"Estate"** means each of the chapter 7 bankruptcy estates of each of the Debtors.
- 1.5 **"Execution Date"** means the date on which all signatories have signed the Agreement in accordance with Section 9.11.
- 1.6 **"Final Approval Order"** means the Final Order approving this Agreement in the form of Exhibit 1 hereto.
- 1.7 **"Final Order"** means an order that is no longer subject to appeal or certiorari proceedings.
- 1.8 **"Preliminary Approval Order"** means the Order provided for in Section 3.1 of this Agreement in the form of Exhibit 2 hereto.
- 1.9 **"Proofs of Claim"** means Claim Nos. 424, 520 and 2383.
- 1.10 **"Student Proofs of Claim"** means the proofs of claim filed by individual students who are members of the Settlement Class, as set forth on

SETTLEMENT AGREEMENT

Exhibit 3 hereto and incorporated by reference, to the extent that such proofs of claim are encompassed by the class proofs of claim, as described in Recital M. For the avoidance of doubt, “Student Proofs of Claim” does not mean proofs of claim filed by individual students asserting a claim based on dishonored checks issued by ITT to students for, among other similar reasons, Title IV funds including Pell grants, student aid funds administered by the Department of Education, or state-based student aid funds that were in excess of the tuition owed by the student for completed semesters but were disbursed to ITT by the state, federal government, or other entity with the intention that ITT act as a pass-through and disburse the funds to the students (“**Pass-Through Proofs of Claim**”). The Parties acknowledge that Paula Suite, Freddie Lewis, Ralph Kyle Williams, and Damien R. Dietterick have filed Pass-Through Proofs of Claim and that there may be other Pass-Through Proofs of Claim that have not yet been identified as such by the Parties.

- 1.11 “**Settlement Class**” means all individuals who were at any time enrolled in any of the programs offered by the Debtors between January 1, 2006 and the Petition Date.

2. INCORPORATION OF RECITALS

The foregoing recitals are incorporated into and are made a part of this Agreement.

3. CERTIFICATION OF SETTLEMENT CLASS AND CLASS COUNSEL AND SETTLEMENT APPROVAL.

- 3.1 **Preliminary Approval.** Promptly after the Execution Date, the Trustee and Class Representatives shall move the Bankruptcy Court for entry of a Preliminary Approval Order. The Preliminary Approval Order will certify the Settlement Class, appoint Class Counsel for the Settlement Class, and include, among other things:

- 3.1.1 Approval of a notice program to include the Trustee sending mailed notices [in the form of Exhibit 4 hereto] to those former students who filed Student Proofs of Claim, those former students who are listed as account debtors on the accounts placed for servicing or collection with UAS, FirstSource, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and any and all other credit agencies for collection and who have made payments on account of such accounts since the Petition Date, and to those parties who have requested that they receive notice, and providing publication notice. The notice shall, among other things, advise all Students receiving notice that they should

SETTLEMENT AGREEMENT

immediately cease making any payments on account of the Student Receivables;

- 3.1.2 A preliminary finding that the settlement is fair, reasonable, adequate and within the range of possible approval;
- 3.1.3 A date for the final approval hearing that complies with the notice requirements of 28 U.S.C. §1715(d);
- 3.1.4 Approval of those actions required by this Agreement to take place before the entry of the Final Approval Order; and
- 3.1.5 A procedure for Settlement Class members to object to the settlement and to opt out of the Settlement Class.
- 3.1.6 Authorization for the Trustee to the return all funds in the Receivables Segregated Account and the Additional Accounts, consistent with Section 6 herein to the students who made such payments to ITT, UAS, FirstSource, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and any and all other credit agencies, as the case may be.

3.2 **Final Approval Order.** The “Final Approval Order” shall provide for, among other things:

- 3.2.1 Approval of this Agreement as fair, reasonable, adequate, and within the range of possible approval under the standards developed under Rules 9019 and 7023 of the Federal Rules of Bankruptcy Procedure and Rule 23(g) of the Federal Rules of Civil Procedure;
- 3.2.2 Allowance of each of the Proofs of Claim against each of the Debtor Estates in the amount of \$1,500,000,000, which allowance shall be as a pre-petition general, unsecured claim no longer subject to objection or challenge, but subject to adjustments as set forth in Section 5 herein, and that the Students Priority Claim is disallowed with prejudice. The Final Approval Order shall provide that the Bankruptcy Court shall retain authority over the division of any distributions made on account of the Proofs of Claim. The Class Representatives shall promptly file a proposed division of any such distributions upon notification from the Trustee of the likely amount of funds to be paid on account of the Proofs of Claim;

- 3.2.3 Disallowance with prejudice of the Student Proofs of Claim. If the holder of a Student Proof of Claim listed on Exhibit 3 opts out of the Settlement Class (each, an “**Opt Out Claim**”), such holder’s Student Proof of Claim shall not be disallowed and instead the Bankruptcy Court will determine the allowability of such holder’s Student Proof of Claim as part of the normal procedures for resolving proofs of claim. Nothing in this Settlement Agreement controls the allowability of a Pass-Through Proof of Claim;
- 3.2.4 The Trustee (i) agrees that she will not, on her behalf or on behalf of the Debtors’ estates, recover, collect, or enforce any (a) Student Receivables, (b) CUSO Receivables or PEAKS Receivables that, pursuant to an order entered by the Bankruptcy Court, are transferred or returned to the Trustee (a “**PEAKS/CUSO Transfer Order**”), and (c) other receivables owed by former students of the Debtors that are transferred or returned to the Trustee that are not CUSO Receivables or PEAKS Receivables (“**Other Receivables**”); and (ii) agrees to a permanent injunction enjoining the collection, assignment or transfer of the Student Receivables and the Other Receivables, and the collection, assignment or transfer of any CUSO Receivables or PEAKS Receivables that, pursuant to a PEAKS/CUSO Transfer Order, are transferred or returned to the Trustee;
- 3.2.5 A provision that provides that nothing set forth in the Preliminary Approval Order, the Final Approval Order or the Settlement Agreement in any manner whatsoever waives, releases or otherwise affects the Debtors’ and/or the Trustee’s claims, rights, remedies and/or causes of action of every type and nature whatsoever (“**Rights**”) under or related to the CUSO Receivables, the PEAKS Receivables, any documents or agreements between the Debtors and PEAKS or CUSO, and/or other documents or agreements otherwise related thereto, and all such Rights shall be fully reserved; and
- 3.2.6 A provision that provides that nothing set forth in the Preliminary Approval Order, the Final Approval Order or the Settlement Agreement in any manner waives, releases, limits or otherwise affects claims of the Settlement Class against the Department of Education or the existence or valuation of any claim the Department of Education may assert against Debtors.

SETTLEMENT AGREEMENT

- 3.3 The “**Settlement Effective Date**” shall occur on the date on which all of the following conditions have been met or, if applicable, have been waived:
- 3.3.1 The Bankruptcy Court shall have entered the Preliminary Approval Order;
 - 3.3.2 The Trustee shall have returned all funds in the Receivables Segregated Account and the Additional Accounts, consistent with Section 6 herein to the students who made such payments to ITT, UAS, FirstSource, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and any and all other credit agencies, as the case may be.
 - 3.3.3 Prior to the entry of the Final Approval Order, the Trustee shall have received a private letter ruling from the Internal Revenue Service, in form and substance acceptable to the Trustee, indicating that ITT was not “an applicable entity” and/or an “applicable financial entity” under Section 6050P(c) of the U.S. Internal Revenue Code of 1986, as amended, or receives a determination from the Internal Revenue Service declining to issue a private letter ruling, so as to allow the Trustee to determine in her sole discretion whether she, on behalf of the Debtors, is required to issue Forms 1099-C to Students in connection with the Settlement Agreement. Promptly upon receiving the private letter ruling or a determination that the private letter ruling will not be issued, the Trustee shall notify putative class counsel of her decision regarding the issuance of Forms 1099-C to Students. In the event that the Trustee decides that she will issue Forms 1099-C to Students upon consummation of the transactions set forth in this Agreement, the Students, may, in their sole discretion, elect whether to proceed with the Agreement or to terminate the Agreement and shall promptly notify the Trustee of such decision.
 - 3.3.4 The Bankruptcy Court shall have entered the Final Approval Order.
 - 3.3.5 The Final Approval Order shall have become a Final Order.
 - 3.3.6 The Trustee shall have given notice in accordance with 28 U.S.C. §1715.
 - 3.3.7 The Final Approval Order shall contain a provision which declares that all Student Receivables, all Other Receivables that are transferred or returned to the Trustee, and all CUSO Receivables or

PEAKS Receivables that, pursuant to a PEAKS/CUSO Transfer Order, are transferred or returned to the Trustee, have been fully satisfied and are no longer due and owing. For the avoidance of doubt, the Trustee shall not possess or control, or be deemed to possess or control, CUSO Receivables, or PEAKS Receivables except as may be set forth in a PEAKS/CUSO Transfer Order.

3.3.8 The Students shall have voluntarily dismissed the Lawsuit.

4. RELEASES

- 4.1 **Release By The Settlement Class.** Except for the rights, duties, and obligations created by this Agreement, effective upon the Settlement Effective Date, the Settlement Class hereby releases and discharges the Trustee, as Trustee and in her individual capacity, all professionals engaged by the Trustee either on her behalf or on behalf of the Debtors' estates, and their heirs, successors and assigns thereof, from any and all claims, demands, obligations, damages, action, or causes of action, in law or in equity, whether sounding in tort or contract, or based on federal or state law, and whether known or unknown, which the Settlement Class has or may have against the Trustee for any reason whatsoever existing prior to or as of the Settlement Effective Date. Notwithstanding anything to the contrary in the foregoing, nothing in this Release (i) releases the Proofs of Claim or (ii) prohibits or prevents the Settlement Class or Class Representatives from participating in the Debtor's bankruptcy cases or exercising their standing as creditors of the Estate or (iii) prohibits or prevents the Settlement Class or Class Representatives or Class members from asserting any rights, claims or defenses against third parties, including but not limited to, the Department of Education, the directors and officers of the Debtors, and any other entity that is not the Trustee and her successors.
- 4.2 **Trustee's Release.** Except for the rights, duties, and obligations created by this Agreement, effective upon the Settlement Effective Date, the Trustee on behalf of herself and the Debtors hereby releases and discharges the Settlement Class and all professionals engaged by or on behalf of the Settlement Class, and their heirs, successors, and assigns from any and all claims, demands, obligations, damages, action, or causes of action, in law or in equity, whether sounding in tort or contract, or based on federal or state law, and whether known or unknown, which the Trustee has or may have against the Settlement Class for any reason whatsoever existing prior to or as of the Settlement Effective Date.
- 4.3 **Unknown Claims.** The releases provided for in this Agreement extend to Claims that the Parties do not know or suspect to exist at the time of the

SETTLEMENT AGREEMENT

release, which if known, might have affected the decision to enter into the release (“Unknown Claims”). In releasing their Unknown Claims, the Parties expressly waive and (and each Settlement Class member by operation of law shall be deemed to waive) any and all protections, provisions, rights and benefits conferred by any law of the United States or any state or territory of the United States, or principle of common law, which governs or limits a person’s release of Unknown Claims, including Section 1542 of the California Civil Code. Section 1542 of the California Civil Code provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

The Parties acknowledge and understand (and each Settlement Class member by operation of law shall be deemed to acknowledge) the significance of these waivers of California Civil Code Section 1542 and/or of any other applicable law relating to limitations on releases of Unknown Claims. In connection with such waivers and relinquishment, the Parties acknowledge (and each Settlement Class member by operation of law shall be deemed to acknowledge) that they are aware that they may hereafter discover facts in addition to, or different from, those facts which they now know or believe to be true with respect to the subject matter of the Agreement, but that they release fully, finally and forever all released Claims, and in furtherance of such intention, the release will remain in effect notwithstanding the discovery or existence of any such additional or different facts. The Parties acknowledge (and all Class members by operation of law shall be deemed to acknowledge) that the release of Unknown Claims as set forth herein was separately bargained for and was key element of the Settlement.

5. ADJUSTMENT OF PROOFS OF CLAIM

5.1 **Proofs of Claim Adjustment.** If the Department of Education discharges, forgives or cancels all or any part of the Settlement Class federal student loans or any such loan is otherwise forgiven or deemed paid (“**Cancellation**”) as a result of any lawsuit or proceedings initiated by the Class Representatives, individual class members, Attorneys General (or

SETTLEMENT AGREEMENT

boards of higher education and related state agencies), state or federal regulatory agencies or the Trustee, and such Cancellation occurs prior to the time that the Trustee closes the Debtors' bankruptcy cases, then the allowed amount of the Proofs of Claim (\$1,500,000,000) shall be reduced dollar for dollar in the amount of such Cancellation; provided that the Proofs of Claim shall not be reduced below the amount of \$1,099,896,000 on account of Cancellation. If no discharge or Cancellation of the federal student loans has occurred by the time the Trustee closes the Debtors' bankruptcy cases, then the Proofs of Claim amount shall not be adjusted below \$1,500,000,000. The Trustee shall have the right to terminate this Agreement if the allowed Opt Out Claims exceed Two Hundred and Fifty Million Dollars (\$250,000,000.00). The Trustee agrees that, before terminating the Agreement, she will review the Opt Out Claims and that she will file and prosecute objections to those Opt Out Claims that in her reasonable business judgment are subject to disallowance or reduction.

6. RETURN OF RECEIVABLES ESCROW ACCOUNT

Promptly upon entry of the Preliminary Approval Order, the Trustee shall return all funds in the Receivables Segregated Account and the Additional Accounts and any other funds which come into her possession or control that are received from students to the student who made such payment. The amount returned shall be reduced, pro rata, by the amount deducted from the aggregate of such payments by the collection agencies, including UAS, FirstSource, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and reasonable administrative cost associated with returning the funds. The reasonable cost of returning the funds shall be deducted from the Receivables Segregated Account and the Additional Accounts, provided that the Trustee shall use her reasonable best efforts to minimize the cost of returning the funds, and shall consult with the Class Counsel about the costs throughout the process. The Students dispute the validity of all Student Receivables. The Trustee's refund of the monies in the Receivables Segregated Account and the Additional Accounts does not acknowledge validity of the Student Receivables.

7. REPRESENTATIONS AND WARRANTIES

The Parties hereby represent and warrant to each other the following, each of which is a continuing representation and warranty:

7.1 Each of the Parties hereto is the sole and lawful owner of all right, title, and interest in and to every claim and other matter purported to be released herein. None of the Parties has assigned or transferred, or

purported to assign or transfer, to any person or entity any claims or other matters herein released.

- 7.2 Except as otherwise expressly provided in this Agreement, no consent or approval is required by any other person or entity (other than the Bankruptcy Court) in order for the Parties to carry out the provisions of this Agreement and the Parties (subject to approval of the Bankruptcy Court) have obtained all necessary approvals to enter into and perform the obligations under this Agreement.
- 7.3 The Trustee agrees that prior to the Settlement Effective Date, she shall not sell, assign, transfer, pledge, collect, or in any way dispose of, in whole or in part, any or all of the Student Receivables or Other Receivables. The Trustee agrees that prior to the Settlement Effective Date, she shall not sell, assign, transfer, pledge, collect, or in any way dispose of, in whole or in part, any or all of any CUSO Receivables or PEAKS Receivables that, pursuant to a PEAKS/CUSO Transfer Order, that are transferred or returned to the Trustee. On the Settlement Effective Date, (a) all Student Receivables, (b) all Other Receivables, and (c) all CUSO Receivables or PEAKS Receivables that, pursuant to a PEAKS/CUSO Transfer Order, that are transferred or returned to the Trustee, shall be deemed fully satisfied and no longer due and owing. In the event that after the Settlement Effective Date any or all of any (a) Other Receivables, or (b) CUSO Receivables or PEAKS Receivables, that pursuant to a PEAKS/CUSO Transfer Order, are transferred or returned to the Trustee, such CUSO Receivables or PEAKS Receivables or Other Receivables shall be deemed fully satisfied and no longer due and owing. For the avoidance of doubt, the Trustee shall not possess or control, or be deemed to possess or control CUSO Receivables or PEAKS Receivables except as may be set forth in a PEAKS/CUSO Transfer Order.
- 7.4 Each of the Parties has received, or has had the ability to obtain, independent legal advice from attorneys of their choice with respect to the advisability of making the agreements provided herein and with respect to the advisability of executing this Agreement.
- 7.5 Except as otherwise expressly stated in this Agreement, the Parties have not made any statement or representation to the other regarding any facts relied upon by them in entering into this Agreement, and each of them specifically does not rely upon any statement, representation or promise of the other Party or any other person in entering into this Agreement, except as expressly stated in this Agreement. Each Party has relied upon its own investigation and analysis of the facts and not on any statement or

representation made by any other Party in choosing to enter into this Agreement and the transactions contemplated herein.

- 7.6 The Parties and their respective attorneys have made such investigation of the facts pertaining to this Agreement and all of the matters pertaining thereto, as they deem necessary.

8. BANKRUPTCY COURT APPROVAL

- 8.1 **Approval.** This Agreement is subject to and conditioned upon the entry of the Preliminary Approval Order and Final Approval Order by the Bankruptcy Court.
- 8.2 **Return To Status Quo Ante.** If the Bankruptcy Court does not enter the Preliminary Approval Order or the Final Approval Order or any of the other conditions to the Settlement Effective Date are not met or the Students elect to terminate this Agreement pursuant to Section 3.2.2 or the Trustee elects to terminate this Agreement pursuant to Section 5.2, this Agreement shall be of no further force and effect and the parties shall be returned to status quo ante as of the date of this Agreement, as if no Agreement had been negotiated or executed. Moreover, the Parties shall be deemed to have preserved all of their rights and defenses of any kind that they may have had against any person.
- 8.3 **Cooperation And Bests Efforts.** The Parties agree to support the entry of the Preliminary Approval Order and the Final Approval Order and to use their reasonable best efforts to cause the Bankruptcy Court to enter the Preliminary Approval Order and the Final Approval Order. The Parties further agree not to cause any other person or entity to object to or otherwise oppose the entry of the Preliminary Approval Order and Final Approval Order. Each of the Parties shall promptly and in good faith execute all documents and perform all acts necessary and proper to effectuate the terms of this Agreement; provided, however, that nothing in this paragraph requires either Party to waive any of the conditions to the Settlement Effective Date. The Trustee shall provide putative class counsel with copies of all materials that she intends to submit to the Internal Revenue Service in support of her request for a private letter ruling fourteen (14) days prior to their submission to the Internal Revenue Service so as to allow putative class counsel the reasonable opportunity to review and comment on such submissions. The Trustee shall provide putative class counsel with a copy of the actual submission and all material correspondence with the Internal Revenue Service.

9. MISCELLANEOUS

- 9.1 **Entire Agreement, Amendments, and Waivers.** This Agreement constitutes and contains the entire agreement between the Parties and supersedes any and all prior negotiations, conversations, correspondence, understandings, and letters respecting the settlement of the Lawsuit. This Agreement may be amended or modified or one or more provisions hereof waived only by a written instrument signed by the Parties. No delay or omission by any party in exercising any right or power arising from any default by the other party shall be construed as a waiver of such default, nor shall any single or partial exercise thereof preclude any further exercise thereof or the exercise of any other right or power arising from any default by a party. No waiver of any breach of any covenant or other condition shall be construed to be a waiver of or consent to any previous or subsequent breach of the same or of any other covenant or condition.
- 9.2 **PEAKS Receivables and CUSO Receivables.** By entering into this Agreement, the Trustee, on her behalf and on behalf of the Debtors and their estates, does not waive, release or otherwise compromise in any manner whatsoever, the Debtors', their estates' or the Trustee's Rights under or related to the PEAKS Receivables, the CUSO Receivables, any documents or agreements between the Debtors and PEAKS or CUSO and/or any other documents or agreements otherwise related thereto and all such Rights shall be fully reserved.
- 9.3 **Department of Education.** Nothing set forth in the Preliminary Approval Order, the Final Approval Order or the Settlement Agreement in any manner waives, releases, limits or otherwise affects claims of the Settlement Class against the Department of Education or the existence or valuation of any claim the Department of Education may assert against Debtors.
- 9.4 **Captions.** The captions to this Agreement are for convenience only and are to be of no force or effect in construing and interpreting the provisions of this Agreement.
- 9.5 **Jurisdiction, Governing Law.** This Agreement is made and entered into in the State of Indiana and shall, in all respects, be interpreted, enforced and governed by the laws of the State of Indiana, without regard to choice of law principles. The Parties further agree that any dispute arising out of this Agreement shall be adjudicated in the Bankruptcy Court.
- 9.6 **Notices.** Any notice required or permitted under this Agreement shall be given in writing and shall be sent to the following Parties via electronic mail with a copy sent by overnight mail or hand delivery:

FINAL APPROVAL ORDER

Upon the joint motion (the "**Motion**")¹ [Doc No. ____] of Deborah J. Caruso, the
chapter 7 trustee in the above-captioned cases (the "**Trustee**") for ITT Educational Services,

¹ Capitalized terms used but not defined herein have the meanings given to them in the Settlement Agreement.

Inc., ESI Service Corp. and Daniel Webster College, Inc. (the “**Debtors**”), and Jorge Villalba, James Eric Brewer, Joshua Cahill, Juan Hincapie and Cheryl House, on their own behalf and on behalf of all individuals who were at any time enrolled in any of the programs offered by the Debtors between January 1, 2006 and September 16, 2016 (the “**Students**” and together with the Trustee, the “**Parties**”), for entry of an Order: (a) approving a proposed Settlement Agreement, a copy of which is annexed hereto as **Exhibit 1**, by and among the Trustee and the Students (the “**Settlement Agreement**”); and (b) granting the relief, all as more fully set forth in the Motion, and after due deliberation, it is HEREBY FOUND AND ORDERED THAT:

1. The Motion is granted as set forth herein. The Trustee is hereby authorized and directed to take all actions required under the Settlement Agreement and all such actions are hereby approved.

2. Pursuant to the standards set forth under Rules 9019 and 7023 of the Federal Rules of Bankruptcy Procedure and Rule 23(g) of the Federal Rules of Civil Procedure, the Court finds that the proposed Settlement Agreement is fair, reasonable, adequate, and within the range of reasonable settlements.

3. The Court hereby allows Claims Nos. 424, 520 and 2383 (the “**Proofs of Claim**”) against each of the Debtor Estates each in the amount of \$1,500,000,000.00, which allowance shall be as a pre-petition general, unsecured claim no longer subject to objection or challenge. The Proofs of Claim shall be subject to the following adjustment. If the Department of Education discharges, forgives or cancels all or any part of the “**Settlement Class**” (as defined in the Settlement Agreement) federal student loans or any such loan is otherwise forgiven or deemed paid (“**Cancellation**”) as a result of any lawsuit or proceedings initiated by the “**Class Representatives**” (as defined in the Settlement Agreement), individual class members,

Attorneys General (or boards of higher education and related state agencies), state or federal regulatory agencies or the Trustee, and such Cancellation occurs prior to the time that the Trustee closes the Debtors' bankruptcy cases, then the allowed amount of the Proofs of Claim (\$1,500,000,000) shall be reduced dollar for dollar in the amount of such Cancellation; provided that the Proofs of Claim shall not be reduced below the amount of \$1,099,896,000 on account of such Cancellation. If no discharge or Cancellation of the federal student loans has occurred by the time the Trustee closes the Debtors' bankruptcy cases, then the Proofs of Claim amount shall not be adjusted below \$1,500,000,000. The Trustee shall have the right to terminate the Proposed Settlement Agreement if the allowed **Opt Out Claims** (as defined in the Settlement Agreement) exceed Two Hundred and Fifty Million Dollars (\$250,000,000.00). However, before terminating the Settlement Agreement, the Trustee shall review the Opt Out Claims and file and prosecute objections to those Opt Out Claims that in her reasonable business judgment are subject to disallowance or reduction.

4. The "**Students Priority Claim**" (as defined in the Settlement Agreement) shall be disallowed with prejudice.

5. The Court hereby permanently enjoins the collection, assignment or transfer of the **Student Receivables** (as defined in the Settlement Agreement) and the **Other Receivables** (as defined in the Settlement Agreement), and the collection, assignment or transfer of any **CUSO Receivables** or **PEAKS Receivables** (each as defined in the Settlement Agreement) that, pursuant to a **PEAKS/CUSO Transfer Order** (as defined in the Settlement Agreement), are transferred or returned to the Trustee. For the avoidance of doubt, the Trustee shall not possess or control, or be deemed to possess or control, CUSO Receivables, or PEAKS Receivables, except as may be set forth in a PEAKS/CUSO Transfer Order.

6. The Court retains authority over the division of any distributions made on account of the Proofs of Claim, and the Class Representatives shall promptly file a proposed division of any such distributions upon notification from the Trustee of the likely amount of funds to be paid on account of the Proofs of Claim.

7. The Student Proofs of Claim set forth on **Exhibit 2** hereto are hereby disallowed with prejudice. If the holder of a Student Proof of Claim listed on Exhibit 3 to the Proposed Settlement Agreement opts out of the Settlement Class (each, an **Opt Out Claim**), such holder's Student Proof of Claim shall not be disallowed and instead the Court will determine the allowability of such holder's Student Proof of Claim as part of the normal procedures for resolving proofs of claim. For the avoidance of doubt, nothing in the Proposed Settlement Agreement controls the allowability of a "**Pass-Through Proof of Claim**" (as defined in the Proposed Settlement Agreement) and the holders of Pass-Through Proofs of Claim are not part of the Settlement Class with respect to their Pass-Through Proofs of Claim and such Pass-Through Proofs of Claim are not Opt-Out Claims.

8. Nothing set forth in the Court's Order [Doc. No. _____] (the "**Preliminary Approval Order**"), this Order, or the Proposed Settlement Agreement in any manner whatsoever waives, releases, limits or otherwise affects: (a) the Debtors' and/or the Trustee's claims, rights, remedies and/or causes of action of every type and nature whatsoever ("**Rights**") under or related to the CUSO Receivables, the PEAKS Receivables, any documents or agreements between the Debtors and PEAKS or CUSO, and/or other documents or agreements otherwise related thereto, and all such Rights shall be fully reserved; or (b) claims of the Settlement Class against the Department of Education or the existence or valuation of any claim the Department of Education may assert against Debtors.

9. The above-captioned adversary proceeding, Adv. Proc. No. 17-50003 is hereby dismissed with prejudice.

10. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order will be immediately effective and enforceable upon its entry.

11. This Court shall retain jurisdiction to interpret, implement and enforce the terms of this Order.

PRELIMINARY APPROVAL ORDER

Upon the joint motion (the "**Motion**")¹ [Doc No. _____] of Deborah J. Caruso, the
chapter 7 trustee in the above-captioned cases (the "**Trustee**") for ITT Educational Services,

¹ Capitalized terms used but not defined herein have the meanings given to them in the Proposed Settlement Agreement.

Inc., ESI Service Corp. and Daniel Webster College, Inc. (the “**Debtors**”), and Jorge Villalba, James Eric Brewer, Joshua Cahill, Juan Hincapie and Cheryl House, on their own behalf and on behalf of all individuals who were at any time enrolled in any of the programs offered by the Debtors between January 1, 2006 and September 16, 2016 (the “**Students**” and together with the Trustee, the “**Parties**”), for entry of an Order: (a) approving a proposed Settlement Agreement, a copy of which is annexed hereto as **Exhibit 1**, by and among the Trustee and the Students (the “**Proposed Settlement Agreement**”); and (b) granting the relief, all as more fully set forth in the Motion, and after due deliberation, it is HEREBY FOUND AND ORDERED THAT:

1. The Motion is granted as set forth herein. The Trustee is hereby authorized and directed to take all of those actions required to be done under the Proposed Settlement Agreement before the entry of the Final Approval Order and all such actions are hereby approved.

2. The Court hereby certifies this matter as a class action pursuant to Rules 23(a) and (b)(2) of the Federal Rules of Civil Procedure and Rule 7023 of the Federal Rules of Bankruptcy Procedure, which the Court deems applicable, pursuant to Rule 9014 of the Federal Rules of Bankruptcy Procedure, to the Debtors’ chapter 7 cases and this proceeding, with a certified class (“**Settlement Class**”) defined as all individuals who were at any time enrolled in any of the programs offered by the Debtors between January 1, 2006 and September 16, 2016 (the “**Petition Date**”). The Settlement Class does not include the claims of individual students asserting a claim based on dishonored checks issued by ITT to students for, among other similar reasons, Title IV funds including Pell grants, student aid funds administered by the Department of Education, or state-based student aid funds that were in excess of the tuition owed by the student for completed semesters but were disbursed to ITT by the state, federal government, or

other entity with the intention that ITT act as a pass-through and disburse the funds to the students (“**Pass-Through Proofs of Claim**”). The Settlement Class is certified in the above-captioned adversary proceeding and in the Debtors’ chapter 7 cases.

3. The Court hereby designates Jorge Villalba, James Eric Brewer, Joshua Cahill, Juan Hincapie and Cheryl House as the representatives of the Settlement Class.

4. The Court hereby appoints the Legal Services Center of Harvard Law School and Jenner & Block LLP as Class Counsel.

5. Within _____ days of this Order, the Trustee shall seek a private letter ruling from the Internal Revenue Service indicating that ITT is not “an applicable entity” and/or an “applicable financial entity” under Section 6050P(c) of the U.S. Internal Revenue Code of 1986, as amended. Before submitting any materials to the Internal Revenue Service, the Trustee will provide Class Counsel with the draft of the submission at least fourteen (14) days before the submission of the same to the Internal Revenue Service. Promptly upon receiving the private letter ruling or a determination that the private letter ruling will not be issued, the Trustee shall notify Class Counsel of her decision regarding the issuance of Forms 1099-C to the Students. In the event that the Trustee decides that she will issue Forms 1099-C to the Students upon consummation of the transactions set forth in the Proposed Settlement Agreement, the Students, may, in their sole discretion, elect whether to proceed with the Proposed Settlement Agreement or to terminate the Proposed Settlement Agreement and shall promptly notify the Trustee of such decision. The Students’ position is that, for among other reasons, because the Student Receivables are not valid obligations, there will be no forgiveness of indebtedness income as a result of the transactions contemplated by the Proposed Settlement Agreement.

6. Pursuant to the standards set forth under Rules 9019 and 7023 of the Federal Rules of Bankruptcy Procedure and Rule 23(g) of the Federal Rules of Civil Procedure, the Court preliminarily finds that the proposed Settlement Agreement is fair, reasonable, adequate and within the range of possible approval by the Trustee.

7. Assuming that the Students do not elect to terminate the Proposed Settlement Agreement in accordance with the Proposed Settlement Agreement and Paragraph 5, above, a hearing on the final approval of the Proposed Settlement Agreement shall take place on _____, 201__, and the Trustee shall provide notice in advance of such hearing to all appropriate persons in accordance with 28 U.S.C. §1715(d). This date may be adjourned at the request of the Parties if the Trustee has not received a private letter ruling from the Internal Revenue Service and/or the Parties determine that the Internal Revenue Service will not issue the requested private letter ruling as contemplated by Paragraph 5, above.

8. Within thirty (30) days of the entry of this Order, the Trustee shall send by first class mail, a notice, in the form annexed hereto as **Exhibit 2** (the “**Student Notice**”) to the following: (a) those members of the Settlement Class who have filed “**Student Proofs of Claim**” as defined in the Motion; (b) those former students who are listed as account debtors on the accounts placed for servicing or collection with University Accounting Services, LLC, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, FirstSource Financial Solutions, Inc./One Advantage, and any and all other credit agencies for collection, and who have made payments on account of such accounts since the Petition Date; and (c) all parties who have requested that they receive notice in this case. The Trustee also shall post a copy of the Student Notice on the Rust Omni website for these Bankruptcy Cases and the Debtors’ website.

9. The Student Notice shall state, among other things, that: (a) in accordance with prior Notice, Students should not make any payments on account of money that the Debtors loaned to such individuals to finance their tuition and other charges and fees owed to Debtors; (b) they are entitled to object to the Proposed Settlement Agreement by submitting papers in opposition to the Motion on or before _____, 201__, failing which they will be deemed to have consented to the relief sought in the Motion; and (c) they are entitled to opt out of the Settlement Class by returning a copy of the form (annexed hereto as **Exhibit 3**) to the Court evidencing their intention to opt out of the Settlement Class on or before _____, 201__, failing which they will be deemed to be members of the Settlement Class.

10. Within thirty (30) days of the entry of this Order, the Trustee shall return all funds in the “**Receivables Segregated Account**” and the “**Additional Accounts**” (each as defined in the Proposed Settlement Agreement) and any other funds which come into her possession or control that are received from students to the student who made such payment. The amount returned shall be reduced, pro rata, by the amount deducted from the aggregate of such payments by the collection agencies, including, without limitation, University Accounting Services, LLC, FirstSource Financial Solutions, Inc./One Advantage, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and the reasonable administrative cost associated with returning the funds. The reasonable cost of returning the funds shall be deducted from the Receivables Segregated Account and the Additional Accounts, provided that the Trustee shall use her reasonable best efforts to minimize the cost of returning the funds, and shall consult with the Class Counsel about the costs throughout the process.

11. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order will be immediately effective and enforceable upon its entry.

12. This Court shall retain jurisdiction to interpret, implement and enforce the terms of this Order.

ITT EDUCATIONAL SERVICES, INC., *et al.*¹) Case No. 16-07207-JMC-7A

**NOTICE TO STUDENTS: SETTLEMENT
OF STUDENT CLASS ACTION**

PLEASE READ THIS NOTICE CAREFULLY. YOUR RIGHTS MAY BE AFFECTED. A FEDERAL COURT AUTHORIZED THIS NOTICE. THIS IS NOT A SOLICITATION FROM A LAWYER. **YOU ARE NOT BEING SUED.**

This Notice is posted at <http://omnimgt.com/ITT>

Who is This Notice For?

This Notice applies to you if you are a former student of ITT Educational Services, Inc. or Daniel Webster College, Inc. (collectively, the “Debtors”), who attended ITT between January 1, 2006 and September 16, 2016, or attended Daniel Webster College between January 1, 2009 and September 16, 2016 (collectively the “Settlement Class”).

This Notice is being sent to (a) those members of the Settlement Class who have filed Student Proofs of Claim;² (b) those former students who have or had accounts placed for servicing or collection with University Accounting Services, LLC or FirstSource Financial Solutions, Inc./One Advantage and who have made payments since the Petition Date; and (c) all parties who have requested that they receive notice in the Debtors’ chapter 7 bankruptcy cases.

¹ The debtors in these cases, along with the last four digits of their respective federal tax identification numbers, are ITT Educational Services, Inc. [1311]; ESI Service Corp. [2117]; and Daniel Webster College, Inc. [5980].

² “Student Proofs of Claim” means proofs of claim filed by individual students who are members of the Settlement Class to the extent that such proofs of claim are encompassed by proofs of claim filed on behalf of the Settlement Class [Claim Nos. 424, 520 and 2383]. For the avoidance of doubt, “Student Proofs of Claim” do not include any proofs of claim filed by individual students asserting a claim based on dishonored checks issued by ITT to students for, among other similar reasons, Title IV funds, including Pell grants, student aid funds administered by the Department of Education, or state-based student aid funds that were in excess of the tuition owed by the student for completed semesters but were disbursed to ITT by the state, federal government, or other entity with the intention that ITT act as a pass-through and disburse the funds to the students.

What is This Notice About?

A proposed settlement has been reached in a currently pending class action lawsuit against the Debtors in the chapter 7 bankruptcy cases of ITT Educational Services, Inc. (“ITT”), *et al.*

What is this Lawsuit About?

On September 16, 2016, ITT and Daniel Webster filed for relief under chapter 7 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Indiana (the “Court”).

On January 3, 2017, former students of the Debtors, on behalf of themselves individually and the Settlement Class (collectively, the “Students”), filed a Class Action Adversary Complaint in the Court [Case No. 17-50003] (the “Lawsuit”), and class proofs of claim against each of the Debtors [Claim Nos. 284, 347, and 1285, as amended by Claim Nos. 424, 520, and 2383].

The Lawsuit alleges that the Debtors violated consumer protection laws by engaging in deceptive practices, using abusive, unfair and deceptive recruiting and retention strategies and financial aid practices, and by falsely obtaining accreditation. The Students further allege the Debtors breached their enrollment contracts with the Students by closing their operations before certain students in the Settlement Class could complete their educations and by denying students the benefit of promised post-graduation refresher courses and lifetime job placement assistance. The Students further allege the Debtors breached the covenants of fair dealing and good faith contained in the enrollment contracts and included unconscionable terms in such contracts. The Students sought, among other relief, damages including costs and attorneys’ fees, and an order enjoining the collection of all private student loans.

What is the Status of the Settlement?

After engaging in good-faith negotiations, the Debtors and the Students agreed to the terms of a settlement agreement (the “Settlement Agreement”), described below, to resolve their disputes.

On [•], 2017, the Trustee filed a motion seeking Court approval of the Settlement Agreement [Doc [•]] (the “Motion”). A copy of the Settlement Agreement is attached to the Motion and is available free of charge on the Debtors’ case website, available at <http://omnimgt.com/ITT>.

On [•], 2017, the Court entered an order preliminarily approving the Settlement Agreement [Doc [•]]. The Court will hold a further hearing on the Motion on [•] to determine approval of the Settlement Agreement on a final basis.

What Are the Key Terms of the Settlement Agreement?

Student Receivables

- “Student Receivables” are loans that ITT made to students to finance their tuition and other charges and fees owed to ITT.
- The Trustee will return all funds to the students who made payments for debts owed directly to ITT on or after September 16, 2016 to ITT, UAS, FirstSource, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and any and all other

agencies. The amount returned shall be reduced, pro rata, by the amount deducted from the aggregate of such payments by the collection agencies, including UAS, FirstSource, Security Credit Systems, Inc., Premiere Credit NA, General Revenue Corporation, and reasonable administrative cost associated with returning the funds.

- Each of the collection and servicing agents has marked the Student Receivables as paid in full or has deleted the Student Receivables from the students' credit records and files and no further reporting will be made to any credit bureaus about Student Receivables.
- The Trustee will not sell, assign, transfer, pledge, collect, or in any way dispose of any of the Student Receivables.

Students' Allowed Claim

- The Students' Proofs of Claim will be allowed in the amount of the \$1,500,000,000, as unsecured claims. In other words, all former students who are part of the Settlement Class will share an allowed claim of \$1.5 billion.
- If the Department of Education discharges, forgives or cancels all or any part of the Settlement Class federal student loans or any such loan is otherwise forgiven or deemed paid while the bankruptcy case is pending, the Students' claim may be reduced one dollar for each dollar of debt that the Department of Education discharges or cancels. However, the Claim will not be reduced below the amount of \$1,099,896,000.
- At the end of the bankruptcy case, the Trustee will distribute the funds she is holding on a pro rata basis to all of ITT's creditors according to the priorities set forth in the Bankruptcy Code. Several types of claims such as amounts due for the expenses of the bankruptcy, amounts due to employees and for taxes will be paid ahead of the Students' Proofs of Claim. Once the amount, if any, that will be paid on account of the Students' Proofs of Claim is known, the class representatives will file a proposed division of any money to be distributed to the class members.
- It is not yet known if there will be money in the bankruptcy estate to be distributed on account of the allowed Students' Proofs of Claim, but it appears likely that the amount to be received will be significantly less than \$1.5 billion.

Release of Claims

- In exchange for the Agreement, the Settlement Class is releasing the Trustee, in her capacity as Trustee and individually, all professionals engaged by the Trustee either on her behalf or on behalf of the Debtors' estates from any and all claims, demands, obligations, damages, action, or causes of action, in law or in equity, the Student Class has or may have against the Trustee for any reason whatsoever existing prior to or as of the Settlement Effective Date. This does not release other parties.

Are There Lawyers Representing Me?

The Court has approved lawyers (called "Class Counsel") to collectively represent all Settlement Class Members. You will not be asked to pay your own personal money for the services of these attorneys and their associates and staff in litigating this case and negotiating this Settlement. Only

Class Counsel may act on behalf of the class. However, that does not prevent you from hiring your own lawyer to advise you personally about your rights, options or obligations as a Settlement Class Member in this lawsuit. If you want to be represented by your own lawyer, you may hire one at your own expense. Class Counsel is the Legal Services Center of Harvard Law School, 617-390-2669.

What Is the Release of Claims?

If you are a class member and have not excluded yourself from the class as described below, you are waiving all your rights to all claims during the class period related to any claims against the Trustee, her employees, or anyone she hires in handling the bankruptcy, including even those you are not aware of at present or do not suspect, in exchange for the Settlement Agreement. By participating, you will not be giving up any other claim(s) that you may have against any other third parties, including but not limited to, the Department of Education, directors and officers of the Debtors, and another third party entities that are not part of the Settlement Agreement.

What Happens If I Do Nothing?

If you do nothing, you will be part of the Settlement Class, and you will be releasing all claims you may have against the Debtors related to the allegations in the case.

What If I Don't Want to be Part of the Settlement?

You may request to be excluded from the Settlement. If you request to be excluded, you will not be part of the Settlement Class, will not receive any payout on the Proofs of Claim, if such payouts occur, and will not have released your claims. You will then be entitled to pursue your claims individually.

You may request to be excluded, or “opt out,” from the Settlement by returning a copy of the form attached hereto as **Exhibit I** (the “Opt-Out Form”) to the Court, evidencing your intention to opt out of the Settlement Class, on or before [•] (the “Opt-Out Deadline”).

If you object to any part of the Settlement Agreement and you want to tell the Judge, you must write a letter to the Judge telling him what you do not like about the Settlement Agreement. Include your name, address, phone number, and signature in the letter.

Should I keep making payments that I owe directly to the Debtor?

Pending further notice, former students of the Debtors should immediately cease making any payments on account of money owed to the Debtors. This notice only applies to Student Accounts owed directly to the Debtors, sometimes known as “Temporary Credits,” and not to any other federal or private student loans that you, or anyone on your behalf, took out to attend the Debtors’ institutions, including any loan amounts owed to the United States Department of Education, Student CU Connect CUSO, LLC, and/or PEAKS Trust 2009-1.
